Subject: Notice of File Closure, Dan Shumway, Golden/Lucky Chance, S/037/0064; San Juan County, Utah

Dear Shumway:

The small mine permit for the referenced mine located in San Juan County, Utah, will now be closed and the file retired.

The Division performed an inspection on April 14, 2010, and it was determined that the site is reclaimed and can be fully released. On May 3, 2010, we received concurrence from the BLM that they agree with the file closure and release of the surety. Their inspection was done November 16, 2009. There was no reclamation surety collected for this site.

You are hereby released by the Division from further reclamation responsibilities at this mine. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new notice to the Division and other appropriate agency(ies), and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Tom Munson at (801) 538-5257. Thank you for your cooperation.

Sincerely,

Paul B. Baker
